FREEDOM PARTY TO HOLD TEAM-BUILDING WORKSHOP IN BELLEVILLE

The Freedom Party of Ontario will be holding a Constituency Association Workshop on Saturday, September 21st from 9 am to 3 pm at the Ramada Inn in Belleville, Ontario.

Founded in 1984, the Freedom Party of Ontario (Fp) has been in high gear since April 2002 preparing for the next provincial election. Oshawa employment lawyer Paul McKeever, elected party leader in the late spring of 2002, is focussing on workable solutions for Ontario: a continuation of the move to smaller government, lower taxes, and choice in education and health care. Fp has developed a fresh new statement of policies and adopted a constitution that sets out an excellent organizational structure ([see www.freedomparty.on.ca](http://www.freedomparty.on.ca)).

During the morning of Saturday's workshop, hosted by Executive Member Robert Vaughan, members of the media are welcome to view a presentation of the party's history and successes presented by Party Founder and President Robert Metz. Following Mr. Metz's presentation, attendees will hear from Fp's new Leader, Paul McKeever, with a question and answer period following.

The afternoon session, beginning at 1 pm, will be presented by Fp Prince Edward-Hastings Constituency Association President, Trueman Tuck, who will focus on organizing constituency associations and preparing for the provincial election.
