# **COMMON SENSE TO SURVIVE IN ONTARIO**

**Freedom Party** members and supporters attending a \$50-a-plate dinner this Saturday will be introduced to a new focus, new structure, and **new party leader: Paul McKeever**.

Members of the media are cordially invited to meet party leader Paul McKeever by attending Freedom Party's ELECTION 2003 London Dinner event to be held on:

**Saturday, November 30, 2002**  
at approx **8:30 pm** (following the buffet dinner)  
at the:  
**Seven Dwarfs Restaurant**  
**1659 Wharncliffe Rd S.,**  
**LONDON, Ontario N6L 1J9**

"Election 2003 will be Freedom Party's most organized and vigorous election effort ever," says party leader Paul McKeever.

"The time is right for Freedom Party to establish itself as a household name in the province of Ontario. The agenda of the Progressive Conservatives has been seized by the red Tory forces of Ernie Eves. The PCs are divided. Common sense has been abandoned. Its defenders have been betrayed. Many are still demanding common sense solutions to Ontario's problems. Now, only Freedom Party can be trusted to deliver them."
