POLITICS
doesn't

you...

When it comes right down to it, most people couldn't care less about politics, and quite frankly, we can't blame them.

Almost every decision made for *political* reasons raises our taxes, reduces our choices, and ultimately, restricts our freedom. Even worse, many of us feel totally helpless about the choices that politicians are making for us, and frustrated when we discover that we cannot make choices for ourselves.

In Ontario, our *individual freedom of choice* is fast disappearing. Many of our most important choices are being made by *other* people, usually bureaucrats and politicians, yet it's *all of us* who have to face the consequences of their choices.

You know what we're talking about. Favouritism, special privilege, government waste, bureaucracy, strikes, taxes, red tape, censorship, rent controls, Sunday closing laws, labour monopolies, business monopolies, and laws that favour some at the expense of others.

If you think that none of these issues has a direct effect on your life, your choices, even your happiness --- look again.

These things affect all of us, and it's our responsibility to learn more about *how* they affect us, and what we can do about it.

We *can* do something about it! Find out more!

Freedom Party

"LEFT" OR "RIGHT"?

No labels please.

Freedom Party is not a "left-wing" party and it's not a "right-wing" party --- and here's why:

Left-wing groups like to restrict our *economic* choices, *limit* trade, and monopolize *labour*.

Right-wing groups like to restrict our *personal* choices, *control* trade, and monopolize *business*.

The groups who claim to be **middle-of-the road** simply like to do *both*, and the "road" they're talking about is the road to total state control of our personal lives.

Freedom Party simply doesn't travel on that road. It doesn't bother us that we're not on the "left", the "right", or in the "middle" of a road that leads in the opposite direction of where we should be heading. The "road" we've chosen to follow leads **toward freedom**, not away from it.

FREEDOM PARTY believes that the *purpose of government* is to *protect* our freedom of choice, *not* to restrict it.

We're not asking for any commitments. We're just asking you to take the time to find out exactly what your political choices are. Or what they aren't.

Freedom Party may be new, but it's no "fringe" party. It's a **major party** just getting started.

Either way, you can make it *your* choice, or you can make it *sombody else's*.
